

Mary, Queen of Peace Library  
Dedication Book Club

Birthday Presents, Promotion Gifts or Remembering that Special Day

Help build our library and give your child the gift that lasts—a book in our school library. For a \$25.00 donation, a book and the A/R quiz to accompany that particular book will be dedicated in your child's name for our library. Your child will receive their book at a special presentation, they will be able to read their book first, be library assistant and honored in a unique way for helping our library grow. Reading is such an important part of our children's education, what better way to show how valuable it is than dedicating a book to your child! Grandparents, Godparents and other special friends in your child's life can dedicate a book as well. Please help our library grow by honoring your child in this distinctive way.
