

## MQPCS is Going Green

In an effort to reduce the amount of paper we use, and to be more environmentally conscience, MQPCS will be sending out the Tuesday Newsletter electronically. A hard copy of the main page of the newsletter will be sent home with your youngest child, but all attached fliers and forms will be available only in the electronic version. Attachments will also be available in the office. Please provide the e-mail address(es) where you would like the newsletter sent.

Family Name: \_\_\_\_\_

E-mail address(es) where you'd like the Tuesday Newsletter sent.
